

Anizzy Releases EP "You Against Me"

Houston-based R&B artist drops new album

LOS ANGELES, CA, UNITED STATES, February 3, 2023 /EINPresswire.com/ -- Following the recent release of his latest single, "The Return," R&B artist Anizzy is eager to announce the release of his 5-track EP titled "You Against Me." Anizzy's new project is a powerful testament to overcoming adversity and the naysayers who doubted the Houston-based artist.

Produced by Anizzy, "You Against Me" also showcases his diversity as a skilled producer who isn't afraid to mix genres or sample different sounds. Recorded in Houstonology Studios in Houston, the EP is a good representation of Anizzy's drive to make a name for himself with or without the approval of others.

Anizzy shares his sentiments on the lyrical aspects of "You Against Me," expressing his emotions about the people who stabbed him in the back. He reveals his past by lyrically telling the story of those who treated him poorly. The album comes full circle, with the last track highlighting the end of the battle and his triumph that sheds light on the personal situations that motivated him to rise about the negativity.

Anizzy hopes that his music will be a step toward breaking through the struggles and mistreatment that he has faced and wants to inspire others to do the same. He states, "I have a bad habit of not facing the dark realities of my life, and instead, I just distract myself. But whenever I'm making music and using my real-life stuff in my production, it's like I'm finally facing up to those dark realities, and singing the lyrics is a way for me to open up a little bit," said Anizzy. "I do this with my acting career, using my real life to live the character, which is why I say that my acting and music career are related."

The South Indian artist has also been vocal about his heritage and continues to emphasize the creative and cultural contributions of South India throughout his craft. Using his platform to create awareness, Anizzy strives to influence others to learn more about the artistic influences of South India by combining various elements of Bollywood into his music. Anizzy's unique

approach to creating music has allowed him to expand his artistic abilities into acting.

As "You Against Me" clearly expresses Anizzy's frustrations with those who treated him poorly, that doesn't stop him from pursuing his goals. The South Indian artist is now reaping the success of his artistic talents. In a review of his single, "The Return," Anizzy was recognized for his ability to blend different genres with the writer, noting, "Anizzy doesn't need a collaborator, as he is perfectly capable of mixing the two distinct styles."

Anizzy's music has also been featured in several playlists, including Ditto Music's Emerging Artists playlist, and his breakout single, "Denver," debuted on Breaking Sound Radio. For more information about Anizzy visit his [Instagram](#). To stream his music visit [Spotify](#).
