

# Frenalytics Featured in 1/25/2023 Episode of Special Education Inner Circle Podcast on Collaborative IEP Data Collection

NEW YORK, NY, US, February 2, 2023 /EINPresswire.com/ -- Frenalytics, the patented personalized learning and data collection software for students with unique learning needs, was featured on the January 25, 2023 episode of the Special Education Inner Circle podcast hosted by Catherine Whitcher.

Master IEP Coach founder and CEO Catherine Whitcher, M.Ed brings 25+ years experience helping everyone at the IEP table – parents, teachers, students, admins, therapists, and advocates – create IEPs with less stress and more results.

The Master IEP Coach® community [includes over 200 IEP certified coaching advocates](#) who work hand-in-hand with parents and teachers to ensure the best result for their students.

Parents and teachers are always looking for tools to help support meaningful outcomes ... Frenalytics is easy to use, collects important data for decision-making, and grows with the student."

*Catherine Whitcher, M.Ed,  
founder, Master IEP Coach®  
Mentorship + Network*

In addition, Catherine conducts hundreds of podcasts and live events across the United States galvanizing parents, teachers and schools. Her Special Education Inner Circle podcast episode published January 25, 2023 featured Frenalytics as an effective way to maximize IEP outcomes, and [FrenalyticsEDU was selected by Catherine as a recommended resource](#) for collaborative data collection at home and school.

"I'm extremely excited to introduce Frenalytics to our

Master IEP Coach® community," shared Catherine Whitcher, M.Ed, Founder of Master IEP Coach®

Mentorship + Network. "Parents and teachers are always looking for tools to help support meaningful outcomes for students of all ability levels. Frenalytics is easy to use, collects important data for decision-making, and grows with the student while encouraging independence."

"We're honored to have Catherine spotlight our platform as a much-needed solution to a teacher's data collection problems. Not only does it solve this time-intensive and often challenging need, but FrenalyticsEDU turns the data collection process [into a collaborative, fun, and interactive experience for all parties](#) involved: teachers, parents, students, admins, therapists, and advocates," shared Matt Giovanniello, CEO and co-founder of Frenalytics.
