AHVAP Certification Center Achieves Organizational Member Status with Institute for Credentialing Excellence to Advance CVAHP Certification

ATLANTA, GEORGIA, USA, February 2, 2023 /EINPresswire.com/ -- The Association of [Healthcare Value Analysis Professionals \(AHVAP\)](#) Certification Center has been accepted by the Institute for Credentialing Excellence (I.C.E.) as a Certification Organization Member. As a proud member of I.C.E., we stay informed on best practices in developing and administering a high quality Certified Value Analysis Healthcare Professional ([CVAHP](#)) certification program so that we may better serve you.

The AHVAP Certification Center is proud to be a member of the Institute for Credentialing Excellence in show of our support of the credentialing community and our commitment to strive for excellence in our CVAHP certification program. A high-quality certification validates an individual's knowledge, skills, and abilities in a defined profession, occupation, skill, or role. Certified individuals in the workforce reduce risk and enhance consumer protection and public safety. In addition, these certifications allow employers and other stakeholders to identify individuals with the competencies needed to perform a role or task. The CVAHP certification is based on a rigorous 110 question exam that spans four critical domains relevant to healthcare value analysis: Governance and Structure, Finance, Professionalism and Business Ethics, and Healthcare Value Analysis Methodology.

Karen Niven, MS, BSN, RN, CVAHP, Chairperson for the AHVAP Certification Center Board of

Directors said "As I reflect on this exciting news for our CVAHP credential and all those with this certification, I am reminded of the ICE tag line Community, Competence, Credibility. Each of these characteristics are examples of the professionals holding our CVAHP certification and their approach to their personal and professional growth and development. How exciting for all current CVAHP's and future CVAHP's."

"Membership within I.C.E. is a critically important element of offering a reputable, professional certification for high-risk professions such as healthcare. The AHVAP Certification Center is thrilled to have this partnership with the team at I.C.E. and is currently making significant changes to the certification process to ensure that our certification program exceeds all international certification accreditation requirements" said Dr. J. Hudson Garrett Jr, Executive Director and Chief Certification Officer for the AHVAP Certification Center.
