

# Global Drywall Market Size, Share, Price, Trends, Growth, Analysis, Key Players, Outlook, Report, Forecast 2023-2028

*Drywall Market To Be Driven By The Increasing Application Of Drywalls In Residential And Commercial Construction Projects In The Forecast Period Of 2023-2028*

SHERIDAN, WYOMING, UNITED STATES, February 2, 2023 /EINPresswire.com/ -- The new report by Expert Market Research titled, 'Global [Drywall Market Size](#), Share, Analysis, Report and Forecast 2023-2028', gives an in-depth analysis of the Global drywall market, assessing the market based on its segments like types, applications, and major regions.

The report tracks the latest trends in the industry and studies their impact on the overall market. It also assesses the market dynamics, covering the key demand and price indicators, along with analysing the market based on the SWOT and Porter's Five Forces models.

Drywall Market Share, Size, Price, Growth, Trends, Industry Report, Key Player, Major Segments and Forecast

The key highlights of the report include:

Market Overview (2018-2028)

Forecast CAGR (2023-2028): 4-5%

The increasing application of drywalls in the residential and commercial construction projects, owing to the cost-effective, easy installation, and high durability of the product, is driving the market growth. Over the forecast period, the increasing population and rising standard of living across the emerging economies are likely to lead to improvements in public infrastructure, urban

areas, and residential complexes. This will bolster the demand for drywall.

On the basis of type, the market can be segmented into:

Standard

Fire-Resistant

Mould/Moisture Resistant

Based on application, the market has been segmented into:

Residential

Commercial

The regional markets for global drywall include:

North America

Europe

Asia Pacific

Latin America

Middle East and Africa

### Drywall Market Trends

The key trends in the drywall market include the innovative designs in the commercial

construction sector applied to schools, colleges, hospitals, and public administrative buildings, among others, is likely to lead to progressive product innovations to meet the demands of complex structures. Meanwhile, the growing efforts by the major market players to increase the production capacity are likely to be the crucial trends in the market.

Furthermore, the market growth is anticipated to be aided by the robust industrialisation across the developing economies leading to an increase in industrial construction. This factor is likely to augment the demand for drywall in the forecast period.

### Key Market Players

The major players in the market are USG Corporation, Georgia-Pacific LLC, CertainTeed, American Gypsum Company, and China National Building Materials Co., Ltd., among others. The report covers the market shares, capacities, plant turnarounds, expansions, investments and mergers and acquisitions, among other latest developments of these market players.
