

Valentine's Day idea--Permanent Jewelry is the Perfect Valentine's Day Expression of Love and Admiration

Talented Artists, fun jewelry, and micro welders create a new experience and tradition

PAYSON, UTAH, UNITED STATES, February 2, 2023 /EINPresswire.com/ -- For people wanting to share their love on Valentine's Day, permanent jewelry may provide a very fun and meaningful experience. Local permanent jewelry artists can help couples find the perfect precious metal chain or other piece of jewelry and permanently attach it to a wrist, ankle, or other body location with a quick, simple, and safe weld of links with a micro welder.

TikTok and other social media networks have increased the popularity of permanent jewelry across the U.S. and around the world. It is a new and unique trend providing a meaningful experience for many people—an experience as unique as the individual getting the permanent jewelry.

Couples celebrating their relationship on Valentine's Day can go to a local permanent jewelry artist who can show them different types of chains with various metals and designs. Once the jewelry piece is decided, the artist

The best micro welders for permanent Jewelry artists.

Permanent jewelry is an expression of yourself.

takes measurements then utilizes an Orion micro-welder to weld links together making the jewelry permanent. The whole process takes about 10 minutes per person. The individual experience can be quite enjoyable, but for couples or groups of friends, the experience becomes memorable.

Interest in permanent jewelry continues to grow with [some statistics](#) showing a growth rate of more than 1,000% over the past year based on Internet search rates.

“People have a great experience with permanent jewelry,” said Jonathan Young, CEO at Sunstone Welders. “When people see what permanent jewelry is, what it can represent, everyone wants one. It represents something differently for each person—that’s what makes it so enjoyable.”

Express yourself with permanent jewelry.

Permanent jewelry artists using the Sunstone Orion mPulse welder to place a permanent jewelry chain.

Permanent jewelry is made possible by talented artists using micro welders to make a small weld of two links to hold the jewelry. Sunstone Welders is the leading manufacturer of Orion permanent jewelry welders—necessary technology for permanent jewelry artists to provide the beautiful permanent jewelry people desire in a safe and professional manner.
