

N1 BANCASSURANCE PLATFORM PROVIDER FRIENDSURANCE REVEALS ITS TECHNOLOGY STACK

Curious about what is inside the biggest bancassurance platform provider in Europe? Friendsurance is announcing what technologies the company is based on.

BERLIN, GERMANY, February 2, 2023

/EINPresswire.com/ -- The digital

insurance platform provider

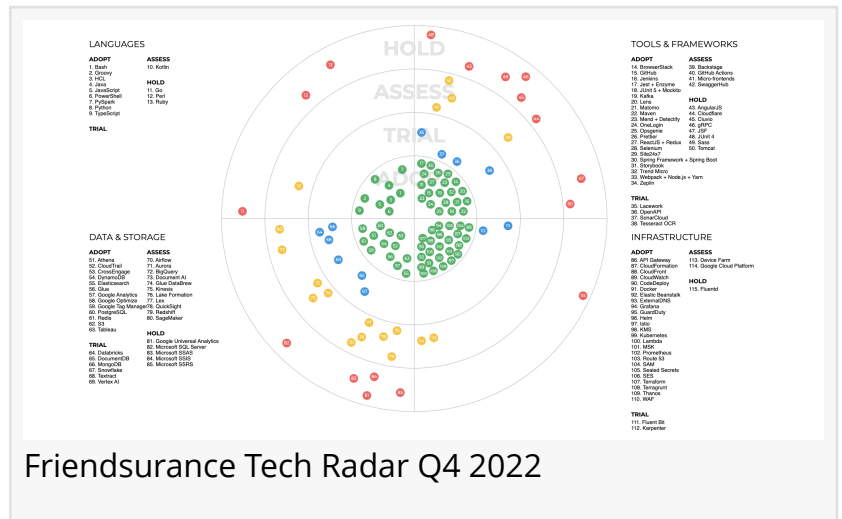

Friendsurance works with the largest

partners in the Fintech industry like

Deutsche Bank and Allianz, and

connects banks with 50 million users

and 180 insurance companies. Today the company reveals its technologies for the very first time on a [Tech Radar](#), which will be constantly updated every quarter by the joint effort of its engineers. It will list all company's Technology stack.

ABOUT FRIENDSURANCE GERMANY

Friendurance believes that dealing with insurance should bring a smile to your face. The company builds the most intuitive platforms, making insurance all about the customer.

Friendsurance is a №1 Bancassurance platform provider in Europe - distribution of insurance products through banks. Its innovative solutions are trusted by well-known partners like Deutsche Bank and Allianz, for whose customers company delivers a seamless and meaningful user experience with its state-of-the-art technology stack, and independent, customer-oriented advice. It works with 7 bancassurance partners, connecting 180 insurers and 50 million addressable users.

With the highest number of companies, Insurtech is the dominant industry in the whole German Fintech ecosystem. In this dynamic market, Friendsurance is a leading pioneer with its 12+ years of experience and state-of-the-art tech stack.

It was launched back in 2010 as one of Germany's first Insurtech companies, and was the first in the world to introduce a peer-to-peer insurance model. The company has undergone continuous further development and launched Bancassurance in 2017. In a couple of years, Friendsurance managed first to corner, and then successfully pioneer the Bancassurance market. The company employs more than 100 top talents carefully picked from all around the world.

We are always looking for brilliants, check out our [hiring page](#) and [company website](#)!
