

# Frank H. Tainter, Ph.D.: Life from a Scenic View

*Get ready for a tour of one of the heritage sites of America and dive deep into the multitude of cultures within Yellowstone National Park.*

ETOBICOKE, ONTARIO, CANADA, February 2, 2023 /EINPresswire.com/ -- Even before it was formed, Yellowstone National Park was the site of a variety of leisure activities. It has been a location for family members to spend quality time together, a place where ties are established and repaired, and a place where people have gone to discover who they are and what they are made of. Yellowstone National Park has also been the site of numerous wildlife studies that demonstrate how different species interact with one another and how human impacts influence these interactions.
