The collection also includes the iconic Knoll's Platner Dining Table, a piece that is sure to turn heads and provide a touch of sophistication to any dining room. The Platner Dining Table is a true masterpiece of design and craftsmanship. Designed by Warren Platner, this table is characterized by its delicate wire base and elegant glass top. The wire base is crafted from a series of thin metal rods that are bent and molded into a graceful, swirling form, providing a light and airy feel to the table. The glass top provides a sleek and modern contrast, making the Platner Dining Table a standout piece in any dining room.

In addition to its exceptional design, the Platner Dining Table is also known for its exceptional quality and durability. The metal rods are finished with high-quality chrome plating, providing a level of protection against rust and corrosion. The glass top is also made from high-quality materials, ensuring that it will provide years of use and enjoyment.

At Modern Resale, the team is dedicated to bringing the very best in modern furniture to its customers. The addition of the Knoll's Platner Dining Table to its collection is just one example of this commitment to quality and style. The team carefully curates its inventory to ensure that each piece is of the highest quality, and is designed to provide both comfort and style.
