

A Call to Action Community Event Focuses on Summer Youth Opportunities

Pontiac Collective Impact Partnership to Host at The Plat Theatre

PONTIAC, MICHIGAN, UNITED STATES, February 13, 2023 /EINPresswire.com/ -- Local community convener Pontiac Collective Impact Partnership (PCIP) will host a Call to Action event focused on enhancing summer youth opportunities at The PLAT Theater on Friday, February 17th at 10:00 AM.

During this free event, representatives from the community will share summer activities designed to meet the career development needs of Pontiac's youth aged 16 - 24, including summer internships, post-secondary education opportunities, college readiness courses, and more.

"We've been collaborating with key organizations in the community to grow opportunities for Pontiac's youth, year over year," shares Dr. Samino Scott, PCIP's Executive Director. "A vibrant Pontiac begins with a deep investment in our youth in order to prepare them for the jobs of tomorrow. Our community partners tested a few activities last year that produced very positive results for our youth, so we're excited that they'll be launching them more formally. This creates an ongoing conversation that centers our youth in Pontiac."
