With over 161K streams to date, this single has hit new heights and numbers for The Long and Short Of It, and has put them on the map globally, garnering attention across the globe. The lyrics of this song ring true and assure anyone that much can be fixed with love. This song is the type that someone can cling on to and feel moved by, or even better, changed by. “When you feel your world will never ever be the same, There’s no way you could get over the break, Stealing for a healing left you feeling that you can’t trust, Oh, a little bit of love, a little love will fix you up.”

David and Patsy's warm vocals are perfectly layered within the song and express the immense

passion and emotion that are woven into the lyrics. The album was produced by Emmy Award-winning Music Producer Kenny Royster, who is notable for producing Luke Combs' number-one hit, "Hurricane," and working with Michael Ray and Trace Adkins.

Continuing the success of the Midnight Choir album, "A Little Love Will Fix You Up" was written to inspire anyone to get over a heartbreak and find new love as a little love will fix you up," adds Kenny.

It is widely known that any great songwriter must be able to effectively communicate emotion through their lyrics, and "The Long and Short of It" have surely mastered that skill, as proven through this new single. The duo continues to create traditional country music by penning relatable lyrics that are truly inspiring. The way that David and Patsy so seamlessly communicate feelings to their listeners through their authentic lyrics is rare. A true testament to the power of their songwriting, and the precision of it as well.

“

Sometimes it's difficult to find the right person to love," but don't give up because time will heal all and love is the ultimate tonic that will fix you up."

David Baird

Press Quotes

"There's an ample blues sound present in the duo's music, but David Baird and Patsy Toop's long collaboration under this moniker joins the growing ranks of successful acts from far-flung locations who've adopted the "Nashville" sound every bit as convincing as their American counterparts." — Michael Stover, Music Existence
