

AnyDesk and FastMD Racing Partner to Revolutionize Motorsports

AnyDesk announces strategic partnership, providing a lightning-fast Remote Access Solution to premier motorsport racing team.

TAMPA, FLORIDA, UNITED STATES, February 3, 2023 /EINPresswire.com/ -- AnyDesk, the world's leading provider of Remote Access Software, announced today a partnership with FastMD Racing, a premier motorsport racing team. The partnership will see FastMD Racing utilize AnyDesk's real-time Remote Access technology to enhance communication and collaboration among team members, both domestically and internationally.

FastMD Racing proudly showcases new AnyDesk logo

FastMD Racing has already seen the benefits of AnyDesk's technology, with the team reporting boosts in both efficiency and performance since deploying the lightweight software. This partnership comes at an exciting time for the team as they just participated in the prestigious Rolex 24 at Daytona, FL.

“

In a sport where seconds count, it's incredible to see how FastMD's engineers and data strategists leverage AnyDesk's lightning-fast software...”

JD Mersinger, VP Global Operations

"We are thrilled to be partnering with AnyDesk," said Remi Lanteigne, Team Principal of FastMD Racing. "Their technology has helped us to run a more efficient operation and has played a significant role in our success on the track. We look forward to continuing to work together and achieving even greater success in the future."

JD Mersinger, VP Global Operations at AnyDesk, added, "AnyDesk is proud to be working with FastMD Racing, a team that is known for its excellence in the motorsports industry. In a sport where seconds count, it's incredible to see how FastMD's engineers and data strategists leverage AnyDesk's lightning-fast software to relay information to optimize track time and machinery

performance. We're excited to see the results of this partnership on the track."
