

Fivestar Forms National Partnership with Prep Network to Maximize Athlete Exposure

HANOVER, MARYLAND, UNITED STATES, February 6, 2023 /EINPresswire.com/ -- [Prep Network](#) – the national leader in prep coverage, events, and athlete recruitment announced a partnership with [Fivestar](#), sports technology innovator and operator of the Fivestar App, the world's first and only sports highlight rating mobile app. Fivestar becomes an official partner of Prep Network's seven brands.

As partners, Prep Network and Fivestar will collaborate to create "Fivestar Athlete Highlights" across Prep Network events. These highlights will feature on Prep Network social media channels as well as on the Fivestar App. Prep Network will also work with Fivestar to integrate athlete highlight ratings from the app onto Prep Network Player Profiles - giving them, and their fans, an additional metric to evaluate their caliber.

"Prep Network and Fivestar share a common goal of leveraging digital media to generate exposure opportunities for young athletes," said Nick Carroll, Co-Founder and CGO of Prep Network. "We're excited to partner with Fivestar to enhance our efforts and introduce our network to their growing platform."

"Fivestar is dedicated to leveling the playing field for all athletes," added Zach Jonas, Fivestar's CGO. "Prep Network's national reach and industry reputation makes them a seamless partner for Fivestar as we continue to drive exposure for athletes through the curation of rating sports highlights. We couldn't be more excited about what this relationship has in store."

Launched in public beta June of 2022, Fivestar is designed to change how athletes and fans share and consume sports content. Fivestar is a safe social media platform focused solely on sports highlights, giving athletes at all skill levels the opportunity to showcase their performance—and have them rated by peers, fans, coaches and community—in a comment-free environment.
