Experience the beauty and durability of a professionally installed driveway with Larrauris Constructions.

The company's products are sourced from the Dominican Republic, ensuring that every product is of the highest quality. The materials used by the company are carefully selected and are manufactured using the latest techniques and technologies to ensure that every product meets the highest standards. The company's wide range of products includes Chicago bricks, thin bricks, and coral stone, making it a one-stop-shop for customers looking for building materials.

In addition to production and import, Larrauris Constructions LLC also provides expert installation services to customers who need assistance with their building projects. With a team of experienced professionals, the company is well equipped to handle projects of any size and complexity, ensuring that every customer is satisfied with the end result. The company's installation services are available to customers throughout South Florida, making it a convenient option for those looking for quality and reliable services.

One of the standout features of the company's products is its Chicago bricks, which have passed

all compression tests, making them suitable for use in driveways. This is a testament to the quality of the products produced by Larrauris Constructions LLC and the company's commitment to providing its customers with the best materials available.

Larrauris Constructions LLC is committed to providing its customers with the best possible experience, and this is reflected in every aspect of its operations. The company has a showroom located at 5420 NW 114th Ave Ste 102, Doral, FL 33178, where customers can come and see the products for themselves. The showroom is open for business Monday through Friday, and the friendly and knowledgeable staff are always available to answer any questions and help customers with their projects.

“

With Larrauris Constructions, we were able to bring our vision to life with their exceptional building materials and expert installation services. We highly recommend them.”
