Wes Whitlock, a philanthropist and former marine is the owner of Invader Coffee. He makes premium roasts for customers who wish to enjoy high-quality, freshly roasted coffee at a reasonable price. Due to his numerous travels, Wes has been exposed to various cultures. His travels have helped him develop a taste for a wide range of beans with unique flavors. One can choose from the best mixes in America thanks to his extensive knowledge.

The veteran-owned coffee brand is known for experimenting with popular flavor profiles, infusing coffee with many layers and aromas like chocolate, pumpkin, and now whiskey. The Whiskey Blend Organic Air Roasted Coffee is a light to medium roast with a rich, oaky aroma. 100% organic and ethically sourced from the finest plantations in Central and South America, the blend's complexity is elevated with molasses, vanilla, and caramel notes. Savoring the Irish inspired coffee is guilt-free, with a zero-sugar promise in every artfully roasted bag.

The light roast whiskey-flavored coffee offers a smooth and rich blend with low acidity, making it a preferred coffee favorite amongst connoisseurs. Invader Coffee's uniqueness lies in the way they produce these high-quality blends. All their roasts are skillfully prepared with the air roasting method, where the beans are 'cooked' on a fluid bed of air and not tumbled in a hot steel drum like most coffees are. The technique yields the optimal temperature and time to give flavor-dense and purest-tasting beans. Invader Coffee feels confident in its roasting practices, going a step further in offering a full refund to anyone who might feel their product is inadequate.

"We've combined the Irish flavors with a heightened sweet taste without adding sugar. Premier coffees can be quite pricey, but Invader Coffee aims to improve everyone's brew experience by providing budget-friendly assortments that don't skimp on quality. Our Whiskey Blend Organic Air Roasted Coffee is a brewed work of air-roasted art," says Wes Whitlock, owner of Invader Coffee.

In addition to coffee blends, Invader Coffee sells high-quality clothing with quirky graphics and comfortable materials. They also offer accessories like tumblers, mugs, and loyalty points for devoted Invader fans.
