After exploring multiple hair enhancement options, the ability to offer a full slate of safe and effective clinically-proven hair loss options to our patients led us to the partnership with GetHairMD™

Dr. DiBernardo, Board-Certified Plastic Surgeon

world-renowned Plastic Surgeon Dr. Barry DiBernardo, today announced that in conjunction with [GetHairMD™](#), it has added a comprehensive suite of FDA-cleared hair loss/enhancement treatments to its robust service offerings.

With this partnership, [Dr. DiBernardo](#) joins the GetHairMD™ network of experienced physicians knowledgeable in all forms and causes of hair loss.

GetHairMD™ offers a one-stop shop for patients battling hair loss. These solutions range from non-invasive treatments such as nutritional supplements, prescription

topicals, at-home therapies, laser hair growth treatments and stress management products to minimally invasive hair grafting. GetHairMD™ is one of the first in the United States to offer FDA-cleared TransDermal Infusion, which drives specially formulated, medical grade serum directly into the scalp for superior results.

“For over 30 years, we have been successfully helping patients meet their aesthetic goals and surgical hair loss solutions such as hair transplant, but recently decided that NON-Surgical hair loss/regrowth was the next logical extension of services to better serve the needs of our loyal patients,” said Dr. DiBernardo. “After exploring multiple hair enhancement options, the ability to offer a full slate of safe and effective clinically-proven hair loss options to our patients led us to the partnership with GetHairMD.”

“We are so pleased to be partnering with Dr. DiBernardo and New Jersey Plastic Surgery to bring

our proven hair loss/regrowth treatments to patients in Montclair and the surrounding areas” said Paul Herchman, Get HairMD CEO, “Dr. DiBernardo is a world-class surgeon and has a wonderful reputation and practice. By offering our breakthrough treatments to their patients, they are offering a proven solution to what has become a growing issue for both men and women of all ages.”
