Jalen Hurts, the Philadelphia Eagles' starting quarterback, is another young and talented talent to watch. He has been a great addition to the team and played well against the San Francisco 49ers in the Wild Card round.

The biggest matchup in Super Bowl history is expected to be a pass-heavy, ground-bound battle between the Chiefs and the Eagles. Both teams have strong, veteran defenses. But the game is expected to be a close one, so it's important to keep an eye on the Eagles' offense.
