*Author Joyce Jones presents a book on how to unlock the law of attraction*

TORONTO, ONTARIO, CANADA, February 6, 2023 /EINPresswire.com/ -- Minds are powerful—incredibly powerful. Thoughts are stored in the brain, either positively or negatively. Joyce Meyer Jones has written a book that will remind readers of how powerful thoughts can be. This is actually the key to fulfilling the law of attraction—the secret of translating visions into reality.

[Embracing the Law of Attraction](#) tells the story of how scientific and religious beliefs can impact certain reactions.

Jones lives by the Bible Verse that says, “Ask and it will be given you; seek and you will find” (Matthew 7:7:8). For her, this Bible Verse is visualization and a blueprint on how she can acquire her heart’s desires.

Joyce Jones also shares her personal story and what made her publish this book. It all started when she was blown away by the movie; *The Secret* by Rhonda Byrnes. The movie made Jones more self-aware of her Christian faith, expanded her concept of self-actualization, and reignited her capabilities. And now, the secret that Joyce Jones has discovered is being shared with her readers!
