

Cryptozoic, Warner Bros. Discovery Global Consumer Products, and DC Announce The Batman Designer Series Batmobile Statue

*Highly Detailed Polyresin Statue
Reimagines the Batmobile in a Hot Rod-
Influenced Style*

LAKE FOREST, CA, UNITED STATES, February 8, 2023 /EINPresswire.com/ -- Cryptozoic Entertainment, leading creator of tabletop games, trading cards, and collectibles, in collaboration with Warner Bros. Discovery Global Consumer Products and DC, today announced the release of the [“The Batman” Designer Series Batmobile Statue](#) on the Cryptozoic Shop and retailers everywhere.

Inspired by the Batmobile featured in Warner Bros. Pictures’ 2022 Oscar-nominated film “The Batman,” this Designer Series statue reimagines Batman’s vehicle through the lens of the hot rod-influenced style of Kustom Kulture art from the 1960s. Meticulously crafted and highly detailed, the hand-painted statue measures 11.5 inches wide and 7 inches tall. Designed by Dennis Jones and sculpted by Stephan Ehl, each statue is individually hand-numbered, comes packaged in a full-color closed box, and includes a Certificate of Authenticity. It is also available in a [Blue Flame Edition](#).

“The Batmobile from ‘The Batman’ is already iconic, so we were thrilled to be able to offer our own unique interpretation,” said Shahriar Fouladi, Director of Product Development & Marketing at Cryptozoic. “Our goal was to create an incredible statue that seemed almost like it was in motion, the dynamic flames reflecting the speed and power of the Caped Crusader’s vehicle. We think collectors will love it as much as we do!”

Product Details:

□ Hand-painted polyresin Batmobile statue

- Measures 11.5 inches wide and 7 inches tall
- Packaged in full-color closed box
- Includes Certificate of Authenticity
