The program offers flexibility, recognition, and skill development through social connections and mentorship. Join now and make a difference. Learn more at <https://www.leiacup.com/pages/affiliate-program>. Contact info available.

About

Leia's brand focuses on innovation and bringing solutions to the intimate care segment, one product at a time.

Together with our partners, we will be able to make products more sustainable, comfortable, and affordable while solving global and local challenges in the space. We will be happy to establish partnerships with NPO and government agencies, as well as other users of products, to ensure access to such necessities. Or professionals in the space to innovate together.
