

Indian Sensation Anirudh's "Once Upon A Time" US Tour Tickets Are Now On Sale

FORT LAUDERDALE, FL, USA, February 7, 2023

/EINPresswire.com/ -- Anirudh Ravichander, one of India's biggest stars, is embarking on a worldwide tour titled "Once Upon A Time", with six major stops in the U.S.A. This tour, beginning in Washington DC on March 31st, 2023, has met with global enthusiasm, with shows in London and Paris selling out in mere hours, and the recently announced performance in Singapore selling out as well.

Anirudh Ravichander, known in the industry and to fans as Anirudh, is inarguably one of the most sought-after music composers and directors in the Indian film industry. He has composed over 150 songs in various languages, predominantly Tamil, but including songs in Hindi, Telugu, Kannada, Malayalam, and Bengali. His emergence as a pan-India sensation in 2012 with Kolaveri Di from "3," he began producing, composing, and collecting awards such as the Filmfare Award for Best Music Director (Tamil) for his work on the soundtrack of the Tamil film "Ethir Neechal," the Edison Award for Best Music Director for his work on the soundtrack of the Tamil film "Maari," and the SIIMA Award for the Best Music Director for his work on the soundtrack of the film "Mersal."

Anirudh's "Once Upon A Time" Tour celebrates 10 years of creating music for various projects, including major motion pictures, television shows, short films, web series, and theme songs for global brands like Sprite. "This show is dedicated to my fans," says Anirudh. "From "3" to "Leo" they have been so supportive so this Spring we are bringing an epic concert experience to the US and let's go crazy together!"

Anirudh Ravichander, legendary bollywood music composer, sells out venues around the world on the highly acclaimed "Once Upon A Time" Tour which is scheduled to tour the United States in 2023. Presented by Shri Balaji Entertainment and powered by Kash Patel Productions

About Anirudh

Anirudh Ravichander is an Indian film composer, director, and singer. He made his debut as a film composer in the Tamil film industry with the highly successful soundtrack album for the 2012 film “3”. Since then, he has composed music for many popular Tamil films and has established himself as one of the leading composers in the Tamil film industry. He has also worked on a number of Tamil-language television shows and has released several independent albums. Anirudh is known for his unique blend of electronic and classical Indian music and has won several awards for his work in the film industry.
