

StringsSG's modern platform makes Air Conditioner Servicing frictionless in Singapore

StringsSG Pte Ltd is thrilled to open a new segment on its platform dedicated to air conditioning service.

SINGAPORE, SINGAPORE, February 7, 2023 /EINPresswire.com/ -- [StringsSG](https://www.StringsSG.com/) Pte Ltd has announced that their platform is now open to a new segment dedicated to air conditioner servicing. The company provides a modern web and mobile platform for clients to request for professional services like personal training, domestic help, handyman services and many more.

The platform is now offering instant online booking for all kinds of aircon servicing, including chemical wash and refrigerant gas top-up at affordable pricing.

Key features for [aircon servicing in Singapore](#) include:

SMART Pricing - After a request is submitted, the instant-search system locates nearby professionals as per the client's requirements. Their confirmed pricing is sent to potential service providers who will accept the job.

SMART Booking - Clients can choose to pay by Credit/Debit card, PayNow, Google Pay or Apple Pay. Clients' payment through the platform is

StringsSG connects client to affordable aircon service providers in Singapore

StringsSG technician

StringsSG is the first online portal I used to get my air conditioner serviced. I love their live chat application which has helped me to interact with the assigned service provider directly."

secured by the trusted Transport Layer Security (TLS 1.3) and reliable payment network.

Secure payment - Clients can choose to pay by Credit/Debit card, PayNow, Google Pay or Apple Pay. Clients' payment through the platform is secured by the trusted Transport Layer Security (TLS 1.3) and reliable payment network.

Digital Invoice & Service Agreements - No need to worry about maintaining hard copies of invoice/receipts and service agreement. StringsSG partners with Stripe Inc to

dynamically generate an electronic version of invoices and service agreements making it easier to manage aircon servicing records.

Key features for air-conditioning service providers:

Job management portal – Service providers can digitally manage job status and scheduling through the platform.

Payout Account – StringsSG partners with Stripe Inc. to enable frictionless payment to service provider's bank account. Instant payouts to Debit cards are available for eligible banks like DBS, OCBC, UOB and many more in Singapore.

Profile Features – Service providers can share their profile on social media and messaging platforms as an e-Business card which digitally bundles their service, ratings/reviews and contact details.

StringsSG's mission is to help you to connect with the most relevant service providers, by systematically understanding your requirements, location and budget needs.

Other prominent services on the platform are personal training, handyman services and domestic help.
