

# LPS Industries Receives SQF Edition 9 Certification

*Certification proves the dedication to providing food-compliant quality products to the food-based industries*

MOONACHIE, NEW JERSEY, UNITED STATES, February 7, 2023

/EINPresswire.com/ -- LPS Industries, Moonachie NJ, ([www.lpsind.com](http://www.lpsind.com)), a vertically integrated flexible packaging manufacturer, has formally received its SQF Edition 9 Certificate. The certificate is an upgrade from Edition 8. This is in addition to the Company's ISO 8 (100,000) Cleanroom certification.

The certifying body conducted extensive, in-depth, multi-day audits of the applicable codes for flexible food quality packaging. This certification proves the dedication to providing food-compliant quality products to the food-based industries. The SQF codes require continual improvement for maintaining a food-safe, high-quality environment throughout the Cleanroom and the facility.

Paul Harencak, Vice-President of LPS Industries, stated, "LPS Industries is committed to delivering the highest quality products to our clients, and these certifications are third-party confirmation that we are doing exactly that."
