and dreams of one desire in life, and live up to their potential rather than exist without purpose or direction in life.

A Path to Excellence is a proven blueprint that will lead the reader to pursue excellence and break through the self-doubts and fears holding them back—designed to help readers grow into their fullest potential and climb to greater heights.

Award-winning life strategist and business coach Tony Jeton Selimi has observed that far too many people give in to their disempowering beliefs and settle for mediocrity from the fear of failure, judgment, and other people's expectations of them. For this reason, he released "A Path to Excellence" (published by Balboa Press).

This book aims to empower readers to go beyond perceived limits and faces their doubts and excuses in all aspects of life — their relationships, family, school, career, business, ministry, community, etc. Here, the author discusses the principles of The Octagon Of Excellence™ and

“

Discover the mindset, principles, and steps to seamlessly marry the intangible tenets of individual excellence philosophy with practical, easy-to-consume strategies that can be implemented quickly”

*Dr John Demartini, Human Behaviour Specialist*

shows them how to address every challenge mindfully, sharpen their focus, improve their mental readiness, control distractions, and give constructive feedback through collaboration, re-evaluation, and self-reflection as they go through the eight inevitable cycles of life. Included are anecdotes of clients from all professional backgrounds and businesses who have used the eight transformational principles and achieved phenomenal results, growth, and transformation that otherwise would seem impossible. Those feeling anxious, frustrated, and dissatisfied with their lives will find "A Path to Excellence" an excellent daily companion.

"The pursuit of excellence will always be the better option when compared to settling for mediocrity," Selimi states. "I want to give them (readers) a road map to win the inevitable and ever-evolving life challenges and the battles they'll encounter on

their journey to grow into their fullest potential."
