“

With BioXHemp, we're combining the expertise of compound pharmacists and science professionals to provide consumers with the highest-quality hemp products on the market.”

Dr. Bao Le, Founder & CEO

The CBD market is growing rapidly, as consumers increasingly seek out natural, plant-based products for their health and wellness needs. The global CBD market size was valued at \$4.06 billion in 2020, and is projected to reach \$26.7 billion by 2026, with a CAGR of 32.9% from 2021-2026. This growth represents a significant opportunity for new and innovative brands to emerge as leaders in the market.

"We've seen a proliferation of low-quality hemp and CBD creams in recent years, making it difficult for consumers to

find a product that offers fast-acting and lasting relief," says Dr. Bao Le, Founder and CEO of hhemp.co and hhharvest.co. "With BioXHemp, we're combining the expertise of compound pharmacists and science professionals to provide consumers with the highest quality hemp products on the market."

BioXHemp is available in two formulas: BioXHemp Muscle & Joint Relief and BioXHemp Nerve Advanced Recovery. The products are formulated with the highest grade, naturally derived, and pharmaceutical ingredients, and come in a cream or roll-on format, with a variety of scents, including Lemon, Lavender & Menthol, Peppermint & Menthol, and Unscented.

"The topical market represents a huge opportunity, with a total addressable market estimated at over \$20 billion," says Mr. Don Hawley, President & CFO of hhharvest.co. "With BioXHemp, we're offering consumers a powerful, maximum-strength hemp cream that provides fast-acting relief from aches and pains. We're excited to bring this innovative product to market."

With its commitment to quality, safety, and efficacy, BioXHemp is poised to become a leading player in the hemp and CBD market. The launch of BioXHemp represents a new frontier in plant-based products and a testament to the growing demand for hemp-based CBD solutions for wellness needs. With its expert team of compound pharmacists, cutting-edge formulation, and innovative distribution model, BioXHemp is well-positioned to capture a significant share of the rapidly expanding hemp and CBD market.
