You4c

Drawing inspiration from the artists that have come before them, as well as today’s game changers, You4c’s music speaks directly from the heart and captures the essence of his soul. As a solo artist, he is not limited to any specific genre and instead allows his intuition to guide his bold, refreshing, and characteristic creative process.

‘Facts 2’ marks its release against the backdrop of the artist’s live performances spanning the east coast in 2023. With diverse singles such as, ‘SOCK HOP,’ ‘CELEBRATE,’ ‘GOD,’ ‘ENVY,’ and ‘ON MY OWN,’ the seasoned singer-songwriter hopes to showcase his brilliance with the rest of the world.

“I’m unique because I listen to intuition and speak from the heart. No one could describe how I feel the exact same way!” says the artist regarding the ways his individuality sculpts his work.

A prolific solo artist with a plan, You4c continues to mesmerize audiences with music that is not genre specific and which beckons audiences to explore his distinctive musical appeal. Motivated by his work and by the impact that music can have in the lives of many, You4c is working on the

pathways that are inspired by his Christian belief systems. Most crucially, the artist remains a strong proponent of the idea that life is truly what you make it out to be.

With a goal to make a return on his investment and see his sales, impacts, as well as his magical presence grow, You4c is poised for success as a promising new agent in the genre.
