

CY2 To Lead Four Sessions at 2023 HEUG Alliance Conference

Projects for CY2 customers Lone Star College, INSEAD and two US graduate schools will be featured

CHICAGO, IL, USA, February 7, 2023 /EINPresswire.com/ -- CY2, leading global Oracle's PeopleSoft Campus Solutions firm and a member of Oracle PartnerNetwork (OPN), today announced it will lead four sessions at the [2023 HEUG Alliance conference](#) in St. Louis, February 26 – March 1.

CY2's deep experience with PeopleSoft Campus Solutions and proven customer project success will benefit HEUG members as they seek to extend their use of Campus Solutions which continues to be the most robust Student Information System (SIS) available today.

Alliance is an important conference for Campus Solutions customers. Institutions are eager to collaborate with their peers and learn about new ways to extend their use of Campus Solutions."

Ernst La Haye, Managing Director

Sessions are:

- How [Lone Star College](#) Built Program Enrollment/Guided Pathways with PeopleSoft & CY2
- Don't License a 3rd Party Student Information System! Use Campus Solutions for Workforce Development & Continuing Education
- Two US Graduate Schools Modernize Admissions Management with PeopleSoft & CY2
- Students Don't Read Emails. CY2's [Connect Student Communications Platform](#) to the Rescue

CY2 counts as its customers some of the world's leading higher education institutions, including Lone Star College, Butler University, University of Glasgow, University of Manchester, University of Cambridge, Universiteit Antwerpen, Koç University and more than 40 others.

About CY2

CY2 is a Campus Solutions consulting and solutions development leader. With more than 30 consultants and developers, and hundreds of successful customer projects, CY2's mission is to help Higher Education institutions derive maximum value from their Oracle investment. CY2's software solutions include:

- Connect Student Communications Platform
- Guided Pathways/Program Enrollment
- Continuing Education
- Admissions Management
