

Celebrus Wins Two Awards for Innovation and Best Team

Celebrus team and products win awards for Team of the Year and Celebrus Best Innovation B2B in the UK Business and Innovation Awards.

CARY, N.C., UNITED STATES, February 8, 2023 /EINPresswire.com/ -- [Celebrus](https://www.celebrus.com) announces it is awarded in two categories at the UK Business and Innovation Awards 2023, recognizing the dedication of the Celebrus team which continues to deliver market-changing innovations.

Winning categories:

“

Through the Celebrus team’s innovation, we continue to provide better data in a compliant manner to solve some of the most difficult challenges in digital today.”

Bill Bruno, CEO of Celebrus.

Celebrus Team of the Year- Bronze

Celebrus Best Innovation B2B- Silver

“We brought Celebrus to the market to make life easier for consumers and brands alike. Through the team’s innovation, we continue to provide better data in a compliant manner to solve some of the most difficult challenges in digital today,” said Bill Bruno, CEO of Celebrus.

Celebrus released several innovative updates to its live-time data solutions contributing to the designation of accolades Best Innovation B2B and Team of the Year. These patented, proprietary innovations, include Cross-Domain Continuance, a solution that solves the data gap between multiple brand-owned websites, and [CX Vault](https://www.cxvault.com), the first no-party data solution that provides relevancy capabilities for opted-out and private browsing sessions. Celebrus regularly releases product updates that are game-changing for its customers.

The Celebrus team is comprised of some of the brightest innovators in the business across all

departments, including those who support our technology. The Team of the Year award is a testament to the team's dedication and talent.
