Ohana K9 Actors, an emerging GO-TO for K9's in Film and Television

TAMPA, FL, UNITED STATES, February 8, 2023 /EINPresswire.com/ -- Ohana K9 Actors, a unique K9 acting agency based in the Tampa Bay area, is proud to announce a record number of bookings in the industry for its K9 actors. The agency, managed by Eric V. Kennedy, a sought-after media consultant and former founding executive of The duPont REGISTRY consumer magazines and website, has set itself apart by owning all of its K9 actors, allowing their trainers to script and prepare each dog weeks, or even months, prior to the shooting.

According to Hollywood producer Marty Poole, "I had the privilege of working with Miss Cassie Kennedy on our feature film, "R.A.D.A.R: The Adventures of the Bionic Dog". Cassie is a fantastic dog trainer and a professional at all times. Bringing Cassie and her Belgian Malinois (BECK) on board the feature film we shot in Florida in April of 2022 was a game-changer. Shooting a family film with kids and a dog isn't an easy feat, and Cassie handled the production tasks and training of Beck in a super fashion. I would highly recommend Cassie's services to anyone needing
