About The Delray Beach Open: The only tournament in the world featuring an ATP Champions Tour event and an ATP Tour event in the same week at the same venue is held in Delray Beach, Florida, February 10-19, 2023 at the Delray Beach Stadium & Tennis Center. The ATP Tour's first North American hard court event of the outdoor season is one of just 10 ATP Tour events in the United States. 2023 will be its 25th year in Delray Beach, and 31st overall. The 3-day, ATP Champions Tour event is in its 14th year and was the first-ever ATP Champions Tour event played on US soil. Each year the Delray Beach Open brings world-class tennis players and thousands of visitors to Delray Beach and Palm Beach County. In 2010, the tournament received the Discover The Palm Beaches Florida's annual Providencia Award for its extraordinary contribution to tourism. The City of Delray Beach was also a finalist for the USTA's "Best Tennis Town" Award and in 2003, the tournament was the recipient of an "ATP Award of Excellence." About The City of Delray Beach: In southeast Palm Beach County, along the Atlantic seashore, a Village by the Sea that began as an agricultural community in 1895 has become one of Florida's most popular destinations for visitors, new families and seasonal residents. The City of Delray Beach encompasses slightly over 16 square miles with a permanent population of nearly 65,000 and growing. The city's charm continues to garner national awards. In 2017 alone the city received three awards: the "All-America City" award from the National Civic League (NCL) for literacy strides (the NCL also recognized Delray Beach in 1993 and 2001), a "Playful City USA" designation for providing 24 playgrounds for residents, and the recognition of Atlantic Avenue as one of the "10 Great American Shopping Streets" by USA Today. In 2012 during the nationally televised "Best of the Road" special, Delray Beach was chosen by Rand McNally, USA Today and the Travel Channel as the "Most Fun Small Town" in America. In 2014, USA Today named Delray as one of the "Best Atlantic Beaches in Florida."
