Julia Blagny, Jennifer Adler, Ian  
Segebarth, Anthony Meindl, Ralph  
King

“Environmental awareness and education are at the core of our mission,” says Founding Director Riley and adds: “Learning about different and diverse parts of our world, practicing appreciation for our natural world, and observing different insights from our eco-filmmakers is a way to inspire change in times when the state of our world could easily cause us to freeze. Cinema Verde is here to lead the way to a sustainable future.”

“

Environmental awareness and education are at the core of our mission. Cinema Verde is here to lead the way to a sustainable future.”

*Trish Riley, Cinema Verde  
Director*

Members can join the live chat and get to know our talented filmmakers in the members-only community forum. Join the Director’s Roundtable discussions daily February 9-14 to chat with our talented filmmakers.
