SAN ANTONIO, TX, USA, February 8, 2023

/EINPresswire.com/ -- With CREATE DESTRUCTION: Phase I, Ryan A. Kovacs (author of THE N.M.E.) brings us yet another thrilling tale in his unique novel-in-verse writing style. Create Destruction is the 2022 winner of the Literary Titan Book Award and an Indies Today Award Finalist.

SYNOPSIS: Doctor Larson is a maniacal genius bent on harnessing the parapsychic powers of Thomas, a 12-year-old boy. Using a "thought terminating process," Larson employs trigger words that catalyze Thomas' abilities so he can use them for his own evil purposes. But as those powers grow, Thomas finds himself slowly stripped of choice and all self-control while treading a path of total annihilation. Will Larson succeed, or will he be forced to watch as the boy is fully consumed by his own conflagration?
