#### About Texwood Shows:

Texwood Shows was started over 16 years ago in the greater Houston area with one simple goal in mind. To have live events where homeowners could meet companies about renovation projects. Instead of tracking builders one by one, customers could find them all in one place. We started with the Spring Home and Garden Show in The Woodlands in 2003. Since then we have only grown to expand our live events to:

Lake Houston  
Cy-Fair  
Montgomery County  
And more

Bolstered by 35 years of experience in marketing and advertising, Tony Wood, President of Texwood Shows, Inc. has built this event company from the ground up, working hand in hand with both customers and vendors. Trust is the foundation of Texwood Shows, Inc. With each event, Wood, and staff work hard to earn the trust of business partners, vendors, and show attendees. Establishing and maintaining this trust is what has made Texwood Shows, Inc. a success.
