

Propositions Launches New Microlearning Program on Working with Gen Z

DES MOINES, IOWA, UNITED STATES, February 9, 2023 /EINPresswire.com/ -- Working with Gen Z is a highly informative original course developed by Propositions, Inc., a leading provider of learning content and performance support libraries, and generational expert Dr. Santor Nishizaki.

Utilizing Dr. Santor Nishizaki's original research and information from his number one best-selling book of the same title, *Working with Gen Z* seeks to increase generational awareness and provide all organizations with the tools to foster a productive and engaging work environment for all generations, especially the newest generation to enter the workforce, Generation Z.

“

With the right strategies and skills, every business can make the most of the opportunities and advantages that come with having Gen Zers in their workforce.”

*Frank Russell, CEO of
Propositions, Inc.*

“Gen Z has the potential to revolutionize the workplace, and we’re already seeing it happen,” said Dr. Santor Nishizaki. “I’m excited to be partnering with Propositions and EZPZ Videos to provide organizations with the necessary tools to help them empower the newest generation in the workforce.”

Key elements this course examines are:

- How Gen Z views the workplace
- How to recruit Gen Z employees
- How to retain Gen Z employees
- Featured interviews from real Gen Zers

□ And more!

“It’s no secret that Gen Z is transforming the modern workplace, and with the right strategies and skills, every business can make the most of the opportunities and advantages that come with having Gen Zers in their workforce,” said Frank Russell, CEO of Propositions, Inc. “Our Working

with Gen Z course with Dr. Santor Nishizaki is perfect for every organization seeking to prepare for the future.”
