

# Patsco Introduces a Windshield Repair Kit with No Drills or Injectors Needed. Now Available on Amazon \$14.99

*Summary: Just Patch It, With Patsco Windshield Repair Patch, No expertise needed! Stick, Push, Peel, Seal, and Done.*

SAN ANTONIO, TEXAS, UNITED STATES, February 9, 2023 /EINPresswire.com/ -- Press Release: Patsco, the windshield and auto glass repair experts, has announced that its patented (PATENT NO.: US 10,946,624) innova1ve windshield repair kit is now available at a heavy discount. Consumers can order the product from [Amazon for just \\$14.99](#).

"We are excited to offer our innova1ve windshield repair patches on Amazon.com," said Patrick McClain, founder, and CEO of Patsco Windshield Repair. "This is a great opportunity for consumers to save money and conveniently repair their windshields. For a limited 1me, the cost is just [\\$14.99 on Amazon](#) for two repair patches."

“

I put the Patch on the chip, went to the store and took it off about an hour later and it was hard for me to find where the chip was. It was amazing!”

Jay

The Patsco [Windshield Repair Patch](#) is a convenient solu1on for those who don't want to replace their windshield. Busy people who don't have 1me to take their car to a repair shop or anyone who wants to save money by repairing themselves can use this affordable solu1on.

Patsco Patches are easy to use. Users just have to apply the patch to a chip on the windshield to stop the spread and leave it on for at least 20 minutes. The rock chip repair

kit is a must-have for vehicles that are frequently on the road, as it provides users with the

assurance that they can deal with any windshield issues on their own.

Patsco shows a new way to fix cracked windshields without using drills or injectors. No expertise needed! There's no need to fumble with tricky injectors or get intimidated by having to use drills. This windshield repair patch is made with ease of use in mind. Unlike other competing brands, you can apply the Patsco Patch to your windshield and leave it on over night for better results, then remove it.

The key features of this auto glass repair kit are:

- Restores glass integrity
- Improves visibility
- Prevents damage spread
- Fits in the glove compartment
- Easy to use, even for first timers

Vehicle owners can be ready for emergency repairs without spending heavily on repair professionals by investing in this windshield chip repair kit.
