Sanitizer Market

The sanitizer market refers to the market for products used to clean and disinfect surfaces, hands, and other objects. The market includes a range of products, including hand sanitizers, surface sanitizers, and sanitizer wipes.

The market has experienced significant growth in recent years, driven by the COVID-19 pandemic. The pandemic has led to increased awareness of the importance of hygiene and sanitation, and as a result, demand for sanitizers has skyrocketed. This has led to a shortage of sanitizers in some markets, and the emergence of many new players in the market.
