Each accommodation is built out with the conveniences of home, dropped on a mountaintop and delivered in a luxury mountain modern package. Large glass windows to blur the lines between out and in, spa inspired bathrooms, well equipped kitchenettes with everything guests need to cook a gourmet meal and plush king beds that'll make one never want to get up!

“

It's been incredible to watch guests experience the Blue Ridge Mountains in a way never before done. We worked to capture the balance between a wild mountaintop and a luxury hospitality experience.”

Matt Bare, Founder

The long range mountain views and setting are inspiring as well! The Glamping Collective is set on a 160 acre property with 2 flagstone amenity areas featuring community fire pits, grills and picnic tables. Guests love discovering 5 miles of private on property hiking trails including a 1.5 mile hike, to the summit for 360* view sunsets that cannot be

missed!

The Glamping Collective is the beginning of a 10 year dream for founder Matt Bare, a Charleston, SC entrepreneur who has spent his career in marketing unique, luxury hospitality brands.

“It's been incredible to see this vision come to life and watch our first guests experience the Blue

Ridge Mountains in a way never before done. We've worked tirelessly to capture the juxtaposition between a wild mountain top experience and a luxury hospitality experience. We like to say The Glamping Collective exists where adventure and luxury collide." -Matt Bare, Founder, The Glamping Collective
