

MyWorkChoice offers a new flexible way to work in Alpharetta, GA

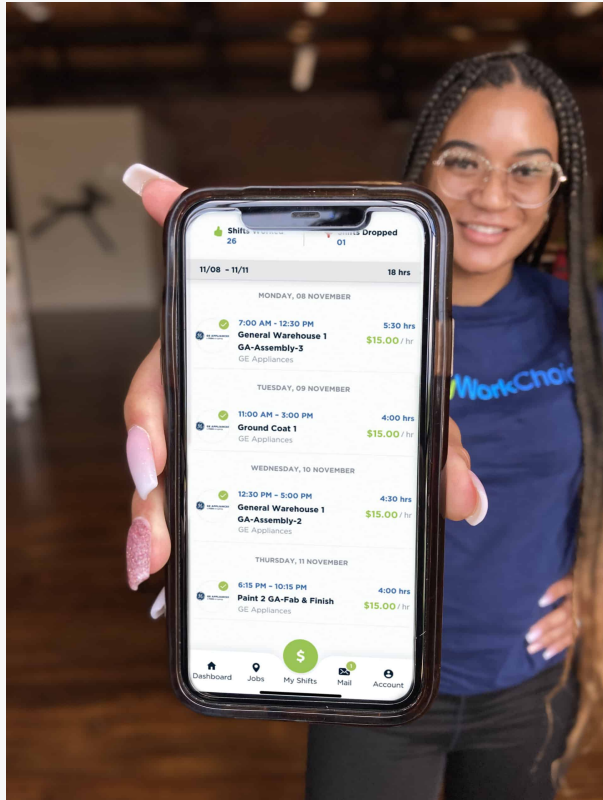

MyWorkChoice partners with Boston Scientific to bring flexible scheduling options and recruitment services to hourly workers in Alpharetta, GA.

ALPHARETTA, GEORGIA, UNITED STATES, February 10, 2023 /EINPresswire.com/ -- MyWorkChoice, the leading flexible workforce management company, today announced a partnership with Boston Scientific, a global leader in the medical technology industry. The collaboration aims to bring a new level of empowerment and work-life balance to Boston Scientific's hourly employees.

The MyWorkChoice platform provides flexible scheduling options and recruitment services for hourly production workers.

With this innovative solution, hourly workers can easily pick up or drop shifts, swap shifts with colleagues, and adjust their schedules 24/7 from their smartphones. This flexibility is designed to provide greater balance for employees to manage their work commitments alongside their personal lives.

"We are excited to partner with Boston Scientific to bring our innovative work solutions to the hourly workforce in Alpharetta, Georgia." Said Tana Greene, CEO and Co-founder of MyWorkChoice, "Our goal is to provide employees with the flexibility they need to balance

The MyWorkChoice app empowers hourly production employees with flexibility

Full time hourly employees can enjoy the benefits of a flexible schedule in today's manufacturing and warehouse environments

We provide employees with the flexibility they need to balance work and personal responsibilities and help employers meet their staffing needs in a more efficient and cost-effective way."

work and personal responsibilities and to help employers meet their staffing needs in a more efficient and cost-effective way."

With unemployment at historic lows and companies looking for an edge in a competitive hiring market, MyWorkChoice's platform offers a significant advantage in retaining existing hourly workers along with appealing to a new generation of production workers who value work-life balance over any other existing benefit. In addition to raising worker morale, implementing flexibility has been shown to reduce labor expenses related to excessive

overtime, absenteeism, and turnover.

Lizel R., a mom working at American Eagle, said, "I love the flexibility to adjust my schedule right from my phone. When my son's daycare is unexpectedly closed, I just go into the MWC app and drop the shift. MyWorkChoice is flexible, innovative, and most importantly, EASY."

Those interested in applying for full-time, flexible work in Alpharetta are encouraged to [apply here](#).
