The outbreak of COVID-19 has severely hampered the catering and food service contract market growth. This is attributed to the fact that the catering and food service contract industry is majorly dependent on the hospitality sector for its revenue generation. Development of the hospitality industry is anticipated to drive the growth of the catering and food service contract market.

Moreover, rise in business related travel, surge in urban population, and rise in number of food joints such as hotels and restaurants fuel the growth of the hospitality industry, thereby drive the

growth of the market. Change in food habits and busy lifestyle of consumers have led to increase in demand for ready-to-eat meals. Rapid changes in the supporting factors such as disposable income, consumer preferences, increase in working women population, and digitization have resulted into rise in number of quick-service, pop & shop, and other including full-service restaurants, pubs & bars, and quick service restaurants has dramatically hampered the Catering And Food Service Contract Market Demand.

The increasing in demand for hygienic and nutritional food across educational institutions and geriatric care centers are also drive the market. Several contract catering and food service companies are leveraging technology for offering pre-booking options, online menus, customized orders, and shorter waiting durations due to rapid digitalization and increase in penetration of smart devices. In recent times, rise in globalization levels, growing number of tourism activities, and exposure to various inter-cultural cuisines have brought change in consumer food preferences across the globe. Apart from this, the expansion of leading contract catering companies along with their integrated services are attracting a large consumer base globally. Moreover, the emergence of advanced business models for offering ad-hoc workplace food services are expected to further boost the growth of theCatering And Food Service Contract Market Trends in the coming years.
