NEW YORK, NEW YORK, USA, February 10, 2023 /EINPresswire.com/ -- Wax seals traditionally brought elegance to hand mailed cards and letters, and now they are making a comeback with [Altenew's wax seal collection](#). First released in August 2020, these wax seal products have been referred to as "the perfect modern interpretation of a classic tradition." The Altenew melting spoon is designed to help with melting the wax in a safe and efficient way. The tool is described to "enable you to melt just the right amount of beads to create a wax seal."
