“We are excited to be a part of the 2023 TCS New York City

Marathon. The New York City Marathon is a perfect kick off to our annual fundraising campaign [Journey For The Living](#). JFTL is a fitness challenge to walk, run or ride 15 miles during the month of November to raise money and awareness for Holocaust education. With the rise of antisemitism and hate, now more than ever we need to support our schools and bring in programming and materials to teach the lessons of the Holocaust and how they relate to today.”  
Says Isabella S. Fiske, co-founder MSHEF.

“As a new charity partner,” says Ann S. Arnold, co-founder MSHEF, “we are honored and thrilled to be a part of the TCS New York City Marathon. It is amazing to be able to have the ability to inspire people through running while highlighting the mission and vision of MSHEF.”

Since its inception in 2006, the TCS New York City Marathon Official Charity Partner Program has now raised more than \$460 million for 1,000 worthy non-profit organizations across the globe. Prior to the start of the official program, the New York City Marathon had served as an outlet for individual philanthropic runners since the 1980s.
