

BLUETTI Readies to Ignite A Romantic Valentine's Day

LAS VEGAS, NV, US, February 10, 2023 /EINPresswire.com/ -- With [Valentine's Day](#) right around the corner, lovebirds are racking their brains to find more creative gifts than traditional flowers or chocolate to express love. Luckily, BLUETTI has rolled out loads of savings on a wide selection of solar generators as of Feb. 6 to bolster the sweet celebration with someone special at home, outdoor entertainment, or RV trips on the road.

BLUETTI Portable power station

[BLUETTI AC500+B300S/ AC300+B300 Combo: Expandable Power Center](#)

AC500 is arguably the most prominent model launched in 2022, with an expandable capacity from 3,072Wh to 18,432Wh by teaming up with B300S. The max. 8,000 input rate (PV+AC) allows a lightning charging speed, of 0 to 80% capacity charging takes within ONE HOUR.

AC300 is another modular model that has established a distinct presence in the market. Boasting up to 12,288Wh capacity and a 3,000W PSW inverter for securely running high-load devices, it's an ideal gift for both outdoor enthusiasts and DIYers.

BLUETTI AC200MAX: Versatile Power Monster

It's frustrating to lose power unexpectedly while spending quality time at home or in the wild. AC200MAX, one of the most popular models in the BLUETTI Store, will never let you down. It adopts a safe and reliable LifePO4 battery to provide 3500+ life cycles to 80% of the original capacity. It also has a 2,200W PSW inverter and 2,048Wh capacity to fulfill most power demands. Not enough? Then consider connecting with B230 or B300 expansion battery to extend the capacity for increasing power needs.

BLUETTI EP500/ EP500Pro: Unrivaled Home Backup Power

Valentine's Day would be a nice chance to have a family gathering in the backyard. And BLUETTI is here to tackle your problem of utilizing off-grid power in the open air.

Equipped with 5,100Wh capacity and 2,000W/3,000W PSW inverter, EP500/ EP500Pro come as blockbusters that are sure to surprise your lover at first glance. They are all-in-one power stations designed for home charging, keeping electricity bills lower and making you less dependent on the utility grid.

With the Smart Home Panel, they can be integrated into the home grid due to the seamless 24/7 UPS function to keep essential appliances running as usual when a power failure occurs. The wheel design on the bottom allows effortlessly moving it from one place to another. Always get well-prepared for any emergency.

BLUETTI EB3A/ EB55/ EB70S: Portable Solar Generator Lineup

Walk through the wonderland of nature, where there's clean air, acres, acres of woods, and mountain streams flowing by.

Carry along a portable power station such as BLUETTI EB3A, EB55, or EB70S to conveniently charge your cellphone, walkie-talkie, camera, coffee maker, mini fridge, and more. So you will always have enough power to stay connected, and every precious moment together will be captured without delay.

By connecting either with Bluetooth or WiFi, remote control, real-time monitor, and OTA firmware update can be done merely with clicks on the cellphone.

BLUETTI PV68/ PV120/ PV200/ PV350/ PV420: Easy Access to Solar Energy

Enjoy a solar lifestyle by hooking up with BLUETTI solar panels, covering from PV68, PV120, PV200, and PV350 to PV420.

They use monocrystalline solar cells and multi-layered ETFE to ensure better light transmittance, higher efficiency, and longer lifespan. Simply set up the solar panel and adjust the tilt based on the sunlight intensity or angle to generate the optimal solar intake. Given up to the 23.4% high conversion rate of the solar panel, your battery can sip power from the sun at high speed and run your electronics for hours on end. Achieving power self-sufficiency has never been easier.

In addition, BLUETTI will launch a [BLUETTILOVE](#) campaign during Valentine's Day Sale. Participants can either upload photos and share the sweetest memory/ love story with their lovers or post anonymous SMS to express their affection. Free EB3A, PV68, and \$20 coupons are available to lucky winners. Click <https://www.bluettipower.com/> to learn more.
