

Health Extension® Introduces Digestive Support Can Food for Dogs

Holistic Health Extension®, a natural and holistic pet care company is introducing Digestive Support canned dog foods.

HAUPPAUGE, NEW YORK, UNITED STATES, February 15, 2023 /EINPresswire.com/ -- Third

“

We're proud to introduce these mouthwatering meat-based recipes made with real meat as the #1 ingredient for dogs with sensitive tummies.”

Brad Gruber - President

generation, family owned Health Extension® Pet Care is proud to introduce Digestive Support canned foods for dogs with sensitive digestive systems. Real meat proteins are the first ingredient in these mouthwatering recipes. Digestive Support is grain free with superfoods like sweet potato, carrots, pumpkin, ginger powder, turmeric powder, and coconut oil, specially formulated for dogs with sensitive tummies and the increased moisture adds the essential hydration that is extremely important for healthy digestion. These recipes have essential vitamins and

minerals including added probiotics for easy digesting and they do not contain any soy, wheat, corn, fillers of any sort, artificial preservatives, colors, or flavors. Digestive Support is complete and balanced nutrition in three delicious flavors. [Beef & Carrot Entrée in Gravy](#), [Chicken & Pumpkin Entrée in Gravy](#), and [Turkey & Sweet Potato Entrée in Gravy](#), or try them all with in the Variety Pack.
