

Raw Botanics Unveils Breakthrough REST Formula with CBD, CBN, Reishi, and Ashwagandha

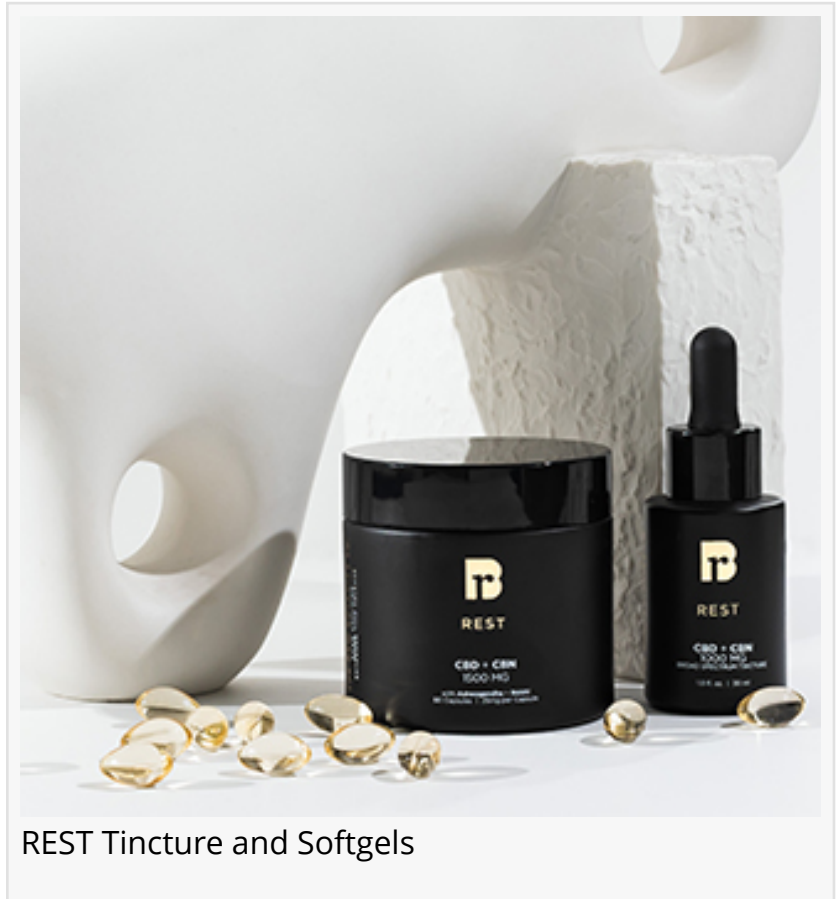

Raw Botanics, the leading natural wellness brand, announces the re-launch of its product, REST to enhance sleep and support the body's natural healing process.

SAN DIEGO, CA, USA, February 11, 2023 /EINPresswire.com/ -- Raw Botanics, the leading natural wellness brand, today announces the re-launch of its newest product, REST, a unique formula that combines CBD, CBN, Reishi, and Ashwagandha, and an additional mixture of plant-based adaptogens to enhance sleep, calm the mind, and support the body's natural healing process.

"We're thrilled to offer this innovative formula to our customers," said Les Kollegian, Raw Botanics CEO, "REST combines the best of nature's botanicals to help promote relaxation, reduce stress, and improve overall sleep quality. Our goal is to provide a safe and natural alternative to traditional sleep aids, and we believe that REST is the solution that people have been searching for."

CBD, CBN, Reishi, and Ashwagandha are four of the most powerful natural ingredients known for their stress-relieving and sleep-promoting properties. CBD is well-known for its calming effects and ability to reduce anxiety, while CBN is a natural sedative that can help improve sleep. Reishi and Ashwagandha are powerful adaptogenic herbs that can help the body adapt to stress and support overall health.

Raw Botanics' REST formula is non-psychoactive and contains only the highest-quality, third-party tested ingredients. It is vegan, gluten-free, and free from harmful chemicals or synthetic
