Location will be provided upon confirmed RSVP. Confirmed guests are Jeff Hoffman (Priceline); Terrell Owens (NFL Alumni); Jay Bloom (NBA Team Contender); Glen Coutinho (Hartcourts Beverly Hills); Former Mayor Beverly Hills Jimmy Delshad; and more.

"I teamed up with Billionaires [DollarStore.com](#) Founder and President Rex Mehta, Priceline's Jeff Hoffman and Pegasus Group Holdings Founder Jay Bloom and my Economic Advisor Dr. E. Lance McCarthy to share strategies for empowerment and building a successful business," announced Enabulele. The "Billionaire Mindset" weekend will connect invite only attendees with billionaires, entrepreneurs and creatives and focus on how they can tap into the DollarStore.com franchise as owners.

"Our goal is to create 1,000 new entrepreneurs with a retain and fintech platform " says Enabulele. "We are pleased to announce our partnership with DollarStore.com to allow users to

OduwaCoin®, the first African cryptocurrency invented by Bright Enabulele in 2017, is digital cash. It serves as a medium of exchange, store of value, and proof of ownership. Oduwacoin is the future of money.

buy goods and services with Oduwacoin. This will help to promote economic empowerment and financial inclusion."

Established in 1996, DollarStore is one of the world's largest and most complete online sources of general merchandise for the Retail and Wholesale industry both in the US and globally. "We are excited to officially announce our partnership with Oduwacoin at the Billionaire Mindset event," said Mehta. "Oduwacoin token holders can purchase products from our online stores."

DollarStore Corporation based In USA is a franchisor of My DollarStore consumer retail stores. DollarStore is a deep-discount retailer of leading and secondary brand consumable general merchandise at a single price point.

Oduwacoin is the first African cryptocurrency, invented in 2017 by Enabulele. The currency began use in January 2018, when it was released as open-source software. It is an alternative digital currency to paper money backed by the blockchain technology network. Oduwacoin serves as a medium of exchange, proof of ownership, and store

of value. It eliminates human meddling, double spending, counterfeiting, and excessive printing, in contrast to government-issued currency.

“

Billionaire Mindset offers the opportunity to own a DollarStore.com franchise. Billionaires Rex Mehta, Jeff Hoffman and Jay Bloom will share business strategies. Dr. Lance McCarthy to discuss trends."

*Bright Enabulele, the founder of Oduwacoin.*

Bright Enabulele is an African entrepreneur and blockchain strategist. He founded Oduwa Blockchain Solutions Ltd. in 2017 as a blockchain development company that assists businesses by creating and delivering blockchain solutions that promote transparent operations.

"My intent is to address these challenges and strengthen economic fundamentals, improve governance and transparency, promote diversification of economies, invest in infrastructure, enhance financial systems, and encourage regional cooperation to foster stability in African currencies," said Enabulele.

According to Enabulele, Oduwacoin has already gained popularity among Africans and is being used by more and

more people every day. The currency is helping to improve the lives of many people by providing them with a safe and secure way to store and transfer value.

Oduwacoin is user-friendly. The coin has a built-in wallet that makes it easy for users to store, send, and receive value. The wallet is available for both desktop and mobile devices. The tokens can be traded on centralized crypto exchanges. The most popular exchange to buy and trade Oduwacoin is Vindax.

DollarStore.com, the world's largest online general merchandiser, to accept Oduwacoin.

"There are economic trends in tech, finance and retail. It is our objective to provide an edutainment platform through entertainment and education," said McCarthy, a global economist and Digital.Davos speaker. During the Billionaire Mindset weekend, we just don't want to motivate participants but give them quantifiable real solutions to be able to empower themselves in business opportunities by listening to successful entrepreneurs. Our goal is to provide all participants empowering methods both financially and state of mind."
