said Ben Baskins, CEO of OG Canna Company.

Locally and globally, cannabis has come into its own in recent years as the veil of uncertainty has been peeled back, and more and more people have come to discover the benefits of the consumption of cannabis.

And so, when the OG Canna Retail Company decided to open locations in Bangkok, they knew they needed to stand out from the crowd by offering high-quality cannabis products in a hip and cool setting that encapsulates the culture and energy of Bangkok.

That mission will become a reality on March 1st with the Grand Opening of Cloud Nine Thailand.

The event-filled evening will begin at 19:00. for invited guests and 21:00 p.m. for the general public. The evening will include a giant "SPIN & WIN" wheel with prizes sponsored by Slim Jim Rolling Papers that include cannabis, branded t-shirts and hats, a large variety of paraphernalia, models dressed with electric cloud wigs, funky DJ's, blue and white stoner snacks, a street magician, plus a special surprise guest!

"And, given that many visitors to Thailand describe the country as 'heaven on earth', what better place to learn about Thai Traditional Medicine than Cloud Nine?"
