

\$15,000 Brianna Lieneck Memorial Scholarship Announced by Long Island Law Firm

The scholarship is offered in memory of Brianna Lieneck, who tragically lost her life in a 2005 boating accident.

LONG ISLAND, NEW YORK, UNITED STATES OF AMERICA, February 13, 2023 /EINPresswire.com/ -- The [Odierno Law Firm](#), a Long Island-based personal injury law firm, is proud to announce the [Brianna Lieneck Memorial Scholarship](#). The scholarship is offered in memory of Brianna Lieneck, who tragically lost her life in a 2005 boating accident. The \$15,000 scholarship seeks to honor her life by ensuring that recipients have access to the funds necessary to continue to pursue their education after high school.

Brianna Lieneck was just 11 years old when she joined her family for a day of tubing on Fire Island. As they returned to the Bay Shore Marina, another boat crashed into the family's boat. It was traveling at such a high rate of speed that it went over the Lieneck family boat. Brianna was killed when a heavy canopy collapsed on top of her. Her parents also suffered severe injuries in the accident.

Brianna's family described her as a caring, charismatic individual who was also an outstanding athlete. She was particularly passionate about softball, and she was known as a hard worker and a great teammate. Brianna - affectionately known as Breezy to her family - was also a fantastic student.

In the wake of the tragedy, the Lieneck family advocated for a new boating safety law that requires all operators of motorized watercraft to complete a state-approved boating safety course. Known as [Brianna's Law](#), the 2019 law also created a boating safety promotional campaign.
