

Call for Speakers Now Open for the RH-ISAC Cyber Intelligence Summit

Retail & Hospitality ISAC invites industry leaders, experts, and innovators to submit proposals for presentations and panel discussions.

VIENNA, VA, UNITED STATES, February 15, 2023 /EINPresswire.com/ -- The Retail and Hospitality Information Sharing and Analysis Center (RH-ISAC) is now accepting speaker submissions for the 2023 [RH-ISAC Cyber Intelligence Summit](#). The event, which is the premier conference for retail and hospitality cybersecurity professionals, will bring together experts from across the industry to discuss the latest threats and solutions in the field.

The conference will focus on the challenges facing the retail and hospitality industries in the face of an ever-increasing number of cyber threats, and it will provide a platform for attendees to learn from the best and brightest in the field.

RH-ISAC invites industry leaders, experts, and innovators to submit proposals for presentations and panel discussions that cover topics such as threat intelligence, incident response, risk management, and security operations. The goal of the RH-ISAC Summit is to provide attendees with actionable insights, practical solutions, and meaningful connections that can help them better protect their organizations and customers from cyber threats.

"We're thrilled to once again bring together the brightest minds in retail and hospitality cybersecurity for our annual summit," said RH-ISAC President Suzie Squier. "The call for speakers is a critical component of the event, and we're excited to hear from experts who can share their knowledge and experiences with our community."

The RH-ISAC Cyber Intelligence Summit will take place October 2 – 4 in Dallas, Texas. To submit a speaker proposal, visit <https://rhisac.org/events/call-for-presentations/>. The deadline for submissions is May 5.
