Key players in the market Smith & Wesson Holding Corp., Freedom Group, Orbital ATK, Sturm, Ruger, & Co., Inc., American Outdoor Brand Corporation, Thales Group, Lockheed Martin, General Dynamics Corporation, Beretta S.p.A., and Raytheon Company, among others.

The global market landscape of ammunition is expected to remain in a very competitive and highly fragmented landscape consisting of a number of both the small start-ups, medium enterprises, and large conglomerates. During the projected era, increasing demand for technological developments and higher diversification in offered products ensure the enormous potential for the innovative players.

key findings from the report suggest

In November 2019, Nammo declared an acquisition of the Chemring Ordnance which is a subsidiary company of Chemring Group, would help Nammo strengthen its manufacturing capabilities in the United States.

The polymer sub-segment is growing with the fastest CAGR of 6.3% owing to its higher efficiency in the manufacturing with 3D printing techniques and reduction in the overall costing with higher applicability in the sports and hunting purposes.

The regions in the Asia Pacific lead by China, India, Pakistan, and South & North Korea are allotting a considerable budget for their defense & law enforcement grooming purposes. Besides, growing incidences of interpersonal stand-offs, asymmetric warfare, terrorist activities, domestic violence, along with higher economic development and enhancement in the manufacturing industry, deliberately help propel market enforcement.
