## Neakasa P1/P2 Pro Pet Grooming Vacuum

Don't think that any dog doesn't like to dress up; dogs also love beauty, especially on the special day of Valentine's Day. Parents can do home grooming for their dog, making it more energetic and promoting communication with the dog.

By grooming your dog at home, parents can keep an eye on the dog's mood and avoid stress in unfamiliar situations. The Neakasa P1 and P2 Pro Pet Grooming Vacuum combine Vacuum Cleaner and Pet Grooming Kits in One. The pet grooming industry in the United States is valued at \$7 billion in annual revenue (IBISWorld). Over 65% of American households who own a pet are looking for ways to save money and care for their furry companions during the pandemic. This has led to an increase in Do-It-Yourself (DIY) grooming nationwide.

The advanced P1 and P2 Pro technology help pet owners brush and vacuum the dirt away, save money, easily remove undercoats, and reduce matting and hotspots for a healthier coat and happier pet; inhale combed or shaved hair into the vacuum box in real-time, eliminating the tedious housework cleaning work.

The Neakasa Pet grooming kit MSRP is from \$159.99 and is available on [Amazon](#) and the [Neakasa website](#). Meanwhile, Customers can use the extra code to save their purchases from the best price of \$118.99. Code "ExtraVD10" for Neakasa P1 Pro and "[ExtraVD05](#)" for Neakasa P2 Pro.
