

Arbitration Resolution Services, Inc. Launches Arb-IT™ 3.0 Arbitration and Mediation Platform

User Experience Design Focus Increases Access to Alternative Dispute Resolution Services, Reduces Cost and Time to Resolution

CORAL SPRINGS, FLORIDA, UNITED STATES, February 14, 2023 /EINPresswire.com/ -- [Arbitration Resolution Services, Inc.](#) (ARS), a leader in online alternative dispute resolution services since 2012, announces the launch of Arb-IT™ 3.0. The cloud-based platform reduces

up to 80% of the costs of traditional litigation in as little as 20% percent of the time. This affordability and time reduction means attorneys, businesses, and consumers can easily resolve claims previously too small or costly to pursue.

Arbitration Resolution Services, Inc.

“

The purpose of the new Arb-IT™ platform is to offer business and consumers access to the best experience and technology in alternative dispute resolution.”

Mark Norych, President, ARS

“The purpose of the new Arb-IT™ platform is to offer business and consumers access to the best experience and technology in alternative dispute resolution,” stated Mark Norych, President of ARS. “The 3.0 mission grew out of our team’s expert process knowledge and experience being leveraged to achieve goals like stress reduction for client admins and removing anxiety for consumers worried about litigation through streamlining process design from the user perspective.”

“I’m proud of what the ARS team accomplishes with the 3.0

launch because it increases access to even more businesses and consumers, with a streamlined process and increased user control and awareness,” stated George H. Friedman, Arbitration resolution Services Chairman of the Board of Directors, and a leading internationally recognized authority on alternative dispute resolution (ADR).
